Dated, Hassan, 28 June 1898.

From

Sir,

I have the honour to state that the right of collecting tolls at the Toll-gate at the Marnahalli Phat in the Manjarabad Taluk for the year 1898-99 was sold by public auction, at the Taluk cutcherry at Sakleshpur, on the 23d and 25th May 1898, the Sale having been duly notified in the official Gazette. The amount of highest bid at the Sale was only Rs 1500 against Rs 2900 and Rs 2300, the realizations of 1896-97 and 1897-98, respectively.

2. Looking into the income of the previous five years, which is noted in the margin, I think that the amount now offered is unduly low. On the report of the Huildar, the Assistant Commissioner, Manjarabad, states that there is no chance of getting a higher bid and that the Sale may be confirmed. The Chief reason ascribed for this heavy fall is the failure of Coffee crop last year and the consequent decrease of traffic.

1892-93	Rs 2480.
1893-94	Rs 2420.
1894-95	Rs 2705.
1895-96	Rs 2576
1896-97	Rs 2900.

3. I am not in favour of confirming the Sale, as the amount compares very unfavourably with that of the last year and the average of the last 5 years, viz, Rs 2616.

H.

The present coffee crop being fair, there is every likelihood of there being an increase of traffic next year on the Ghat. In the interests of Government revenue, I beg to propose the advisability of collecting tolls departmentally during the year 1898-99. For this purpose, I request that I may be permitted to entertain tentatively for one year, with effect from 1st July 1898, the establishment noted in the margin. There is no likelihood of the income falling short of the current year's income (ie. Rs 2300).

4. As the official year is drawing to a close, I have instructed the Assistant Commissioner, Manjarabad, to entertain the above establishment in anticipation of Government Sanction and to carry on the collection of tolls departmentally from 1st July 1898.

5. I beg to request the favour of an early reply.

6. The file of papers relating to the sale ending with Manjarabad Assistant Commissioner's No. 481, dated 8th instant, is submitted for reference and kind return.

The reason assigned

for this heavy fall is owing to the failure of the Cotta crop last year and the consequent decrease in traffic. The aforesaid bid being unduly low and the present Cotta crop being reported to be in a fair condition with every likelihood of there being an increase of traffic on the ghat during the current year, the Deputy Commissioner proposes the collection of the tolls departmentally during the year 1898-99, and solicits permission to entertain tentatively, for one year from 1st July 1898, the marginally noted establishment at a total cost of Rs: 37 per mensem.

As the amount
